BAPTISM APPLICATION

Baptism is a biblical step and springboard to becoming a more fully devoted follower of God, fully mature in Jesus, and fully alive with the Holy Spirit.

If you are interested in taking this important step of being baptized in water, please complete this application form and the requested steps and then turn in this application to a pastor.

Feel free to reach out to a pastor with any questions you might have along the way.

After completing the steps on the adjoining page, I have decided I would like to take this step of obedience and be baptized in water before the people of Oceanside Community Church.
