Nelson and Lisa – The Monteiros continue to develop online courses in the DNA (Disciple Nations Alliance), including "Made to Flourish," a 21-week biblical worldview curriculum developed by Nelson. Nelson and Lisa celebrated the wedding of their daughter, Gabriella, in the Netherlands in August. Please pray for young lives to be impacted by this ministry.

Douglas Lochhead (Young Life) – The summer of 2021 saw more efforts being put into keeping everyone safe through meeting outdoors and following COVID-19 protocols with such activities as soccer, go-karting and "more than camp." Young Life continues to support kids through building relationships, caring for them, and sharing the Christian faith in simple and understandable terms.

Zachary and Megan – It was wonderful to see the Wylie family here at Oceanside this past summer. They continue their work with Imagine Thailand. Their focus has been on connecting two sides of Thailand's society – university students with the education to initiate transformation, and local communities with great needs. They continue to freely share what they have: time, resources, ideas and people. They embrace partnerships because they believe we are better together.

RAN Couple – This couple has continued to work while under the difficult circumstances of COVID-19 and have been able to continue to invest in the lives of the very poor in this country. Please pray for them as they help break the cycle of poverty and bring the hope of Jesus to these poor families.

University Campus Ministries at Vancouver Island University – The Ministry Director at VIU continues to be Lydia Collin. UCM cares for students and seeks to empower them toward God's calling in their lives. UCM champions students who are the leaders of today on campus, and tomorrow in the global marketplace. Please pray for the vitality and stability of the VIU campus ministry.

Nanoose Bay Pentecostal Camp – Our church had a fabulous time at camp this summer, even though the camps were scaled back. Kids went for 3 days instead of a week but they had an amazing time, learning about God and growing friendships while playing games and taking part in fun crafts and activities. Please pray that the Word of the Lord will find fertile soil in these young hearts.

Darcy and Leanne – It was a pleasure to see and hear Darcy and Leanne here this summer. They are busy with both their Asian and Canadian ministry, pointing and coaching leaders to step fully into God's mission for their lives. The ZOE Network paused their courses this past summer in order for them to get everything ready for the fall. Facilitator courses began again in Mid-September. Please pray for them to continue to be people of the Spirit and full of His joy as they tackle life and ministry this fall.

ERDO – We continue to sponsor SaVeoung Seang and Tee Tom through Child Care Plus. Both children live in Cambodian villages. Through Child Care Plus they receive nutritious meals, clothing, shelter, and medical aid. Pray that these children and their families will flourish under this sponsorship. Tee Tom likes to play football in his spare time and wants to be a policeman. Sa Veoung Seang likes to read books and would like to be a teacher.
