Nelson and Lisa – Nelson was in Brazil in the fall of 2021, meeting with team members. Their mission is to help equip the church to be an effective agent of transformation in the lives of individuals, in their communities, and in society.

Douglas Lochhead (Young Life) – Young Life continues to support kids through building relationships, caring for them, and sharing the Christian faith in simple and understandable terms.

Zachary and Megan – It was wonderful to see the Wylie family here at Oceanside this past summer. They continue their work with Imagine Thailand. Their focus has been on connecting two sides of Thailand's society – university students with the education to initiate transformation, and local communities with great needs. They continue to freely share what they have: time, resources, ideas, and people.

RAN Couple – This couple has continued to work while under the difficult circumstances of COVID-19 and have been able to continue to invest in the lives of the very poor in this country. This couple is back in Canada for a much needed rest.

University Campus Ministries at Vancouver Island University – UCM cares for students and seeks to empower them toward God's calling in their lives. UCM champions students who are the leaders of today on campus, and tomorrow in the global marketplace.

Nanoose Bay Pentecostal Camp – Established over 60 years ago by visionary leaders and members of PAOC churches in Vancouver Island, Nanoose Bay Camp strives to see every generation refreshed by the love and life of Jesus.

Darcy and Leanne – Darcy and Leanne continue to work with leaders in Asia, Canada, and around the world. Their passion is for leaders to live out God’s mission from a place of health and wholeness.

ERDO – We continue to sponsor SaVeoung Seang and Tee Tom through Child Care Plus. Both children live in Cambodian villages. Through Child Care Plus they receive nutritious meals, clothing, shelter, and medical aid.
